# bed types

Redline Campers come with two styles of beds as standard.  
(model specific)

## Rock 'n' Roll

*The Rock'n'Roll bed comes as standard in the Classic layout.*

## RIB

*The RIB bed comes as standard in all Sport layouts. Trekker comes with a sliding RIB as standard.*

Rock 'n' Roll

Rock 'n' Roll

RIB

RIB

Rock'n'Roll beds are a quick and easy to convert. Simply pull the lever towards you and let the mechanism do the rest! Available in a variety of colours and styles to suit you and your Camper.

RIB beds are perfect for comfort and space saving. With its injection moulded foam and rotating elements, the RIB bed makes a flat, comfortable bed that reduces wear by using both sides of the seat. This method of assembly provides comfort without compromising underbed storage and access to storage lockers.

*Fancy an upgrade? Why not get your RIB bed leather upholstered.*

## optional extras

solar panels

gloss pack

flamma  
awnings

bike rack

leather

driveaway  
awnings
